

OHIO STATE UNIVERSITY EXTENSION PRESENTS

Chronic Wasting Disease (CWD) in Ohio's Wild Deer Herd

What You Need to Know

Are you a hunter, landowner, or wildlife enthusiast? If so, please join OSU Extension and the Ohio Department of Natural Resources, Division of Wildlife for a workshop about CWD and white-tailed deer in a county near you. Topics will include:

- What is Chronic Wasting Disease (CWD)?
- Navigating Disease Surveillance Area Regulations
- Carcass Handling Restrictions & Best Management Practices
- Where and How to Test my Deer for CWD?
- How does CWD impact Deer Management?

All workshops will cover the same material. Please only register for one.

DATES: August – September 2024 (see right column for dates)

TIME: 6:30 p.m. – 8:30 p.m.

REGISTRATION REQUIRED: go.osu.edu/cwdworkshop
